

Avira takes part in competitor comparison at AV-Test.org

Avira – simply a good choice!

We are not the only ones that think so: The independent testing institute AV-Test certified the first-class protection, 100% usability and excellent performance for Avira's Internet Security Suite 2014.

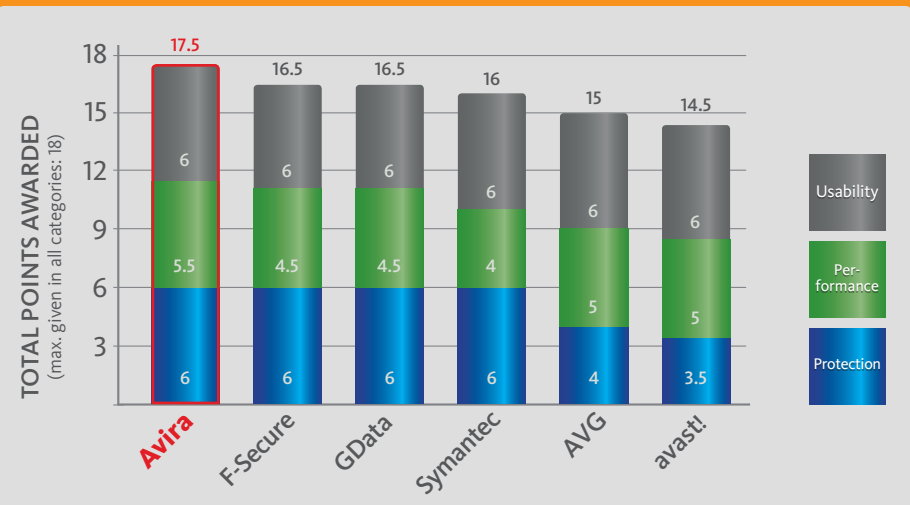

Internet-Security-Suites under Win XP, 7 & 8.1
Under an endurance test for 6 months (April 2014)
